

VotingContract::castVote

```
graph LR; A[VotingContract::castVote] --> B[VotingContract::_countKey]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text "VotingContract::castVote". A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "VotingContract::\_countKey". Both boxes have a thin black border.

VotingContract::\_countKey
